

# STAY SAFE

The Katathani Collection have raised the standard of safety in order for everyone to stay in confidence.

## Stay Safe with Katathani Collection

## 1 | SAFE PLACE

- All of our resorts offer **ample public spaces**
- We have **redesigned the layouts** at all of our facilities and set guest capacity limits at every outlet.
- **Signage** has been placed to remind guests to follow safe practices.

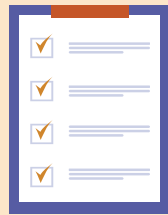

## 2 | SAFE PROCESS

- We've **redesigned** all of our service procedures

### Safety Protocol

- **Preparation**
- **Screening**
- **Registration**
- **Service**
- **e-Payments**
- **Cleaning and Disinfecting**

## 3 | SAFE STAY

- We have introduced **touchless technology** for both check-in & check-out
- **Digital menus** throughout our restaurants to reduce touch points.
- The use of **Ecolab chemicals, UVC and Ozone machines.**
- Pools are checked regularly to ensure safe **chlorine and pH levels** are maintained.
- Additional utensils set during buffet, **Glove, Mask & Alcohol gel.**

## 4 | SAFE PEOPLE

- Every member of staff are **fully vaccinated**
- We provide additional **Personal Protective** Equipment.
- Staff are screened on a daily basis prior to starting work.

## 5 | SAFE GUARDS

- The hotel is certified with **SHA and SHA Plus**
- We also co-ordinate closely with the local hospitals to provide **Covid testing packages** when needed.

\*In-house clinics are available at **The Sands Khao Lak** and **Katathani Phuket Beach Resort.**
